COMPLAINT

The Complainant, being duly sworn, makes complaint to the above-named Court and states that there is probable cause to believe that the Defendant committed the following offense(s). The complainant states that the following facts establish PROBABLE CAUSE:

Complainant, John Sanner, is a Detective with the Stearns County Sheriff's Department.

Complainant has interviewed TMG, DOB 8-19-77, a juvenile male whose full name and other identifying information are contained in offense reports relevant to this investigation. TMG stated that he was acquainted with Matthew David Feeney, DOB 7-12-68, the defendant herein. TMG stated that in the fall of 1990, when TMG was 13 years old, TMG spent the night at the defendant's residence, located in the City of St. Joseph, County of Stearns, State of Minnesota. TMG and the defendant slept near each other on the floor. During the course of the evening, TMG woke up to find that the defendant was pinching the tip of TMG's penis. TMG was wearing underwear and the defendant was pinching his penis, hard enough to inflict pain, through the underwear. TMG believes that the defendant touched his penis for approximately 10 minutes. TMG rolled away from the defendant and the sexual contact stopped.

Complainant interviewed the defendant on January 13, 1992. The defendant admitted that he had sexually abused several young boys under circumstances where, while they were sleeping, the defendant touched and caressed their genitals. The defendant stated that on some occasions, the boys would awaken while he was touching them. During the course of this investigation, complainant learned that the defendant kept a journal, which complainant has had opportunity to read. In the journal, the defendant makes references to his sexual interest in young boys. The journal identifies TMG, among others, as a person that the defendant has "harmed" in ways having to do with the defendant's sexuality.

Complainant has reason to believe and does believe that all of the above information is true and correct.
