28th Sunday in Ordinary Time

From Father David,

- On behalf of IHM my gratitude goes to Jan, Maureen, Patty, Sally and Heidi for coming forward to help the team decorate the church throughout the year. Thank you!
- Some have asked where Fr. Tim Backous has been. Unfortunately Fr. Tim has had health issues related to his diabetes. Recently he was in the hospital and had three surgeries on his foot which had a serious infection. Fr. Tim is on a continuous cocktail of antibiotics and resting at home in Duluth. Fr. Tim thanks you for your prayers.
- Over the past few weeks I have been impressed by how well we sing at IHM. Visitors have also noted your excellent participation in song. While some of you credit me for singing out, I also feel our excellent musicians deserve credit as well. Our goal is trying to find a balance of using hymns from both hymnals (red and blue) to have a blend of traditional and contemporary songs. Also we are trying to introduce new hymns to our repertoire or sing hymns we have not done for a long time.
- Congratulations to our choir director Hannah Armstrong who was married Saturday at IHM to Julian Stanke. God bless you both!
- Thank you to so many who found my homily last weekend helpful and timely regarding the bad press our church is receiving. While I cannot answer for what goes on in the chancery I want you to know that I take seriously a safe environment here at IHM. Presently we are updating our files on every employee to make sure everything is in order. Verification is being made that all priests and employees have done safe environment training and all of us are having new criminal background checks run.
- On occasion some parents whose child/children attend Notre Dame Academy encounter financial problems and have difficulty paying miscellaneous fees and even cost for lunch. We have set up an "Angel fund" at IHM to help our families when they encounter difficulty. If you want to donate to this ongoing fund, please see Pam the parish secretary.

Best Wishes to
**Hannah Armstrong &
Julian Stanke**
who were united in
marriage this weekend.

Through his radical love for us, in which the heart of God and the heart of man touched, Jesus Christ truly took light from heaven and brought it to the earth - the light of truth and the fire of love that transform man's being. He brought the light, and now we know who God is and what God is like. Thus we also know what our human situation is: what we are, and for what purpose we exist. ...Yes, I believe that the world and my life are not the product of chance, but of eternal Reason and eternal Love, they are created by Almighty God. Yes, I believe that in Jesus Christ...the face of God has been revealed; that in him, God is present in our midst, he unites us and leads us towards our goal, towards eternal Love.

— Pope Benedict XVI, Homily at Easter Vigil Mass, March 22, 2008

RCIA (Rite Of Christian Initiation for Adults)

Sessions are being held on Wednesdays at 5 PM in Aquinas Library for anyone interested in learning more about the Catholic faith. Is someone you care about considering learning about the Catholic life? Please encourage them to call Sharon at 952-935-7077.

BOOK CLUB:

Join us to discuss *The Art of Fielding*, by Chad Harbach. This is a novel about a shortstop who aspires to perfection in the game, but life happens and trips up his plans. Come to Aquinas Library at 10 AM, Wednesday, October 16th.

DID YOU KNOW?

I am often assured that the Church always eventually makes rule changes based on the cultural demands of Catholics, and "meatless Fridays" is one of the main "proofs" that is cited. Do you know what happened to meatless Fridays? In 1966 the U.S. Conference of Catholic Bishops published a document, "Complementary Norms on Penance and Abstinence," which released U.S. Catholics from a strict abstinence from meat on Fridays outside of Lent.

BUT the bishops asked that Friday be a day of penance throughout the year:

"Friday should be in each week something of what Lent is in the entire year. For this reason we urge all to prepare for that weekly Easter that comes with each Sunday by freely making of every Friday a day of self-denial and mortification in prayerful remembrance of the passion; of Jesus."

The bishops went on to say that this change in penitential practices (note: NOT CHURCH RULE or DOCTRINE,) was being made in the hope that the Catholic community would freely choose to continue to abstain from meat rather than being forced to obey a rule.

So, were the bishops correct in their thinking? Or did you think you were given a free pass?

PONDER THIS:

The way we live our daily lives communicates our faith to the world around us: the choices we make, where we spend our time, what we cannot live without – all reflect our commitment to the Christian life.

Other Commandments.

Thou shall seek out your own personal, God-given potential. Not everyone gets to be an astronaut when they grow up.

HOW TO PRAY THE ROSARY

Using beads to count prayers is an ancient tradition, and not unique to the Catholic faith. The rosary as we know it today has evolved over time from its original loop of fifty beads marked out three times (to account for 150 prayers representing all the psalms) to its present configuration of five decades with some additional prayers. The rosary is begun by reciting the Apostles' Creed while holding the cross that hangs from the loop. The Lord's Prayer is prayed on the first bead on the way up from the cross to the loop joiner. Then three Hail Mary's are prayed on the next three beads (often interpreted as prayers for an increase of faith, hope, and charity), followed by a Glory Be. Another Lord's Prayer opens the first decade, which continues with ten Hail Marys, and concludes with a Glory Be, prayed while holding the chain between the final Hail Mary of the decade and the next bead for the Lord's Prayer. The prayer and meditation of the five decades is directed to one of the mysteries of which there are four sets (Joyful, Sorrowful, Glorious, and Luminous). There are booklets that offer scriptural meditations for each of the beads as well, providing an opportunity to enrich this traditional prayer with excerpts from the word of God.
