Sgt. Dan J. Winkels:

On 2-2-12, I was requested by Capt. Jensen to refer this case file to the Stearns County's Attorney office for review and consideration of criminal charges. I have completed a letter of transmittal and offender tracking report in reference to John Richard Benson, DOB 10-7-92, who has a local address of Mary Hall, Room 321, St. John's University, Collegeville, MN and will be referring this case file to the Stearns County Attorney's Office for review and consideration of criminal charges including terroristic threats in violation of MSS 609.713 subd 2. A copy of the offender tracking report and letter of transmittal are attached and made part of this report. I have also included a criminal history check which identifies no identifiable records.
